AIR TOP 2000 ST AIR HEATER

Only **\$799.95**

Standard Kit Components:

- Integrated Control Unit
- On/Off Switch with Variable Temperature Control
- Fuel Metering Pump w/Mounting Bracket
- Fuel Line and Fuel Filter
- Universal Fuel Standpipe
- Heater Mounting Bracket w/Gasket
- Wiring Harness w/Fuse Holder
- Exhaust Tubing
- Combustion Air Tubing and Heater Ducting
- Air Inlet/Outlet Vent
- Operation/Installation Manual
- 2 Year/2000 Hour Limited Warranty

Optional Accessories:

- 7-Day Comfort Timer - Part No: 88206A
- Remote Temperature Sensor - Part No: 9005004B

Available Air Top 2000 ST Heater Kits: *Not Included*
Air Top 2000 ST Diesel Kit (12 V) - Part No: 5001114A

Sale price is good only while current supplies last!

Cab heating, fuel savings and emissions reduction
The Air Top 2000 ST is the most popular choice in idle reduction technology. Millions are being used in various applications around the world. Perfect for cab heating, the Air Top 2000 ST gets the job done with 7,000 Btu/h of heat output. This compact unit is low on maintenance, service-friendly and the most efficient air heater on the market. The Air Top 2000 ST can pay for itself within months.

SHUTTLEWORTH EXHAUST SYSTEMS

Bendix™ COMPLETE AIR DRYERS

More than 40 years ago, Bendix revolutionized commercial vehicles by inventing the air dryer to provide clean, dry air to reservoirs, valves and other components, increasing the life of the air brake system, helping to reduce maintenance costs, and preventing system freeze up.

Today, we continue the legacy by expanding our menu of hard working air treatment products to keep you on the road and out of the repair shop. With dozens of years of proven performance backed by extensive testing, patented designs and the industry's most reliable product support system, you can count on genuine Bendix every time.

BENDIX AD-9 AIR DRYERS

Bendix AD-9 Air Dryers

- Extended Maintenance Intervals
- Bendix AD-9 air dryers have a large capacity desiccant cartridge that allows for longer maintenance intervals. Air dryer rebuilds can be stretched to every 36 months when the AD-9 is installed on a typical over-the-road truck or tractor.

Part# 065225

Popular Torque Rods now in stock call for pricing & availability!

Introducing ATRO TORQUE RODS

ATRO's torque rods are more robust than OEM rods, and are available for almost any

suspension. The design makes **installation easy** as they automatically zero out to ride height and eliminate the clocking positions. ATRO's proprietary polyurethane bushings are **chemically resistant to contaminants, and require no maintenance or grease** providing torque rods and bushings that outperform and outlast OEM or other replacements.

Industry's only 3-year warranty.

STEMCO® SUSPENSION PRODUCTS

QWIKTIE® Tie Rod Assembly

HIGHLY ADAPTABLE FOR MAXIMUM EFFICIENCY

Designed to increase simplicity and safety. STEMCO® QWIKTIE® tie rod assembly offers a highly adaptable solution that can accommodate a wide range of straight tie rod lengths.

Advanced Technology
QWIKTIE's versatile range of adjustment makes it a flexible stock addition.

Increased Versatility
QWIKTIE fits from 57 3/8" to 73 7/8" total length from grease zerk to zerk.

Increased Strength
Increased strength and a more even clamping force holds the alignment longer.

Greater Accuracy
Finer threads provide a more precise adjustment, reducing stress on other steering components.
